

## HOLY GROUND

Walk with me  
Take my hand  
Not alone  
Not left behind  
Watch me now  
Set me free  
Rest with me  
On Holy ground

Walk with me this time  
Your Grace all around  
Never on my own  
Let's aim for Holy ground

**Higher, higher  
On Holy ground  
On Holy ground**

Take my fear  
Don't leave me now  
Know Your grace  
Is all around  
On my knees  
Light and free  
Let me see  
The Holy ground
