

WHY

Never wanna look in the mirror
Just wanna hear You say
Don't let the past be the future
Trust You gonna be my way

Why?
Cause the Bible Tells Me So

**Shine Your light
Guide my ways
Lift me high
You give me hope
I'm safe**

Always wanna look for tomorrow
Never looking back again
Even when walking thru the fire
Nothing will be the same

Why?
Cause the Bible Tells Me So

**Shine Your light
Guide my ways
Lift me high
You give me hope
I'm safe**
