

SHINE YOUR LIGHT

Hide in Your arms
Like a baby-child
Safe and secure
In the shadow of night

Whisper Your name
Like a silent cry
In season of silence
You always there

Shine Your light
Shine Your light
Shine Your light on me
Shine Your light

Under Your wings
My Hiding place
I will be safe
For the rest of my life

You guard my soul
I'm safe and sound
Rest peace and love
Love all around
