

IT'S YOUR TIME NOW

Heavy clouds
On your mind
Feeling low
You're all alone
You are stuck to the ground
A heart cold as stone

You are never alone
Watch out
It's Your time now

It is time to let go of the old
that holds you down
It is time for a change
Time to move on
You are never alone
Watch out
It's Your time now

Sing loud
God's on my side
Sing loud
God's on my side

Watch out
It's your time now
Sing loud
God's on my side

Nothing can hold you back
See the future ahead
You find your way

You are never alone
Watch out
It's Your time now

Sing loud
God's on my side
Sing loud
God's on my side

Watch out
It's your time now
Sing loud
God's on my side

Watch out
It's your time now
Sing loud
God's on my side
