

## RAISING THE ROOF

I believe in Heaven  
In a place of love  
I believe there's rest and peace  
A place of joy

No one will be hurt or lonely  
No more sorrow or pain

I sing my heart out  
A song raising the roof  
I sing with angels and saints  
Singing the song of songs  
A love song

I believe in heaven  
I believe in grace  
I believe in a second chance  
No one left behind

No one will be hurt or lonely  
No more sorrow or pain

I sing my heart out  
A song raising the roof  
I sing with angels and saints  
Singing the song of songs  
A love song

I sing my heart out  
A song raising the roof  
I sing with angels and saints  
Singing the song of songs  
A love song
