

LIVING MY LIFE

You will be my guiding light
Thru the night
Shining bright
You will be right by my side
Walk the mile
Hold me tight

When You whisper in my heart
You let me hear your voice
You let me find my way

**Living my life
Running my race
By Your love
By Your grace
Living my life**

Let me see life thru your eyes
Feel Your love
Feel Your heart
When I fall You lift me up
Wipe my tears
A new start

When You whisper in my heart
You let me hear your voice
You let me find my way

**Living my life
Running my race
By Your love
By Your Grace
Living my life**

**Living my life
Running my race
By Your love
By Your Grace
Living my life**
